SIH–2026 INTERNAL HACKATHON

All the students are hereby informed that the SIH–2026 Internal Hackathon will be organized on 31/08/2026 as part of the internal selection and preparation process for Smart India Hackathon 2026. Students interested in participating are instructed to form teams and prepare their proposals according to the following guidelines:

Guideline	Details
Team Size	Each team should consist of 6 members.
College-Provided Problem Statements	Teams select a problem statement from the problem statements provided by the College.
Attached Reference	The problem statement template and the list of college-provided problem statements are attached along with this circular for reference.
Innovation & Impact	Teams are encouraged to select problems addressing real-world challenges with innovative, feasible and impactful solutions.
Presentation	Each team should be prepared to present their problem statement, proposed solution, prototype/model and expected outcomes during the internal hackathon.

All students are encouraged to participate actively and showcase their innovative ideas and problem-solving capabilities.
